## Monday 20<sup>th</sup> October 2025 – **Diwali Crafts**

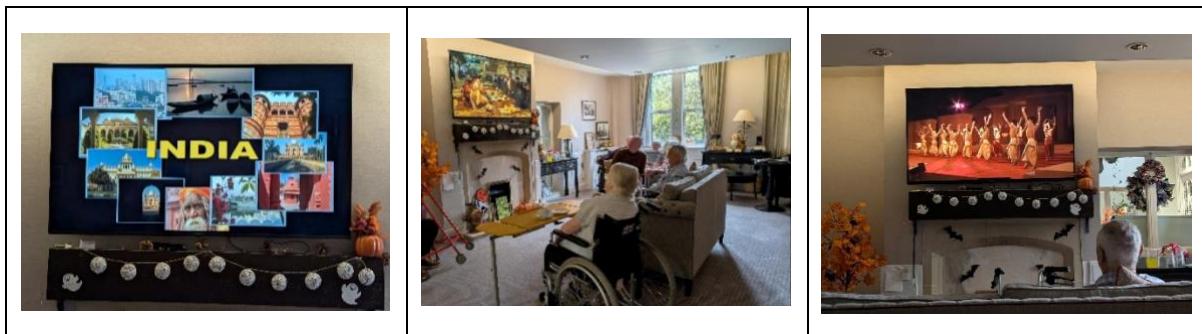

*Rangoli for Diwali are colourful, intricate floor designs made to welcome the goddess Lakshmi, symbolize prosperity, and ward off evil spirits. They are created at the entrance of homes and made from materials like coloured powders, flower petals, or rice grains, and are often accompanied by diyas (oil lamps). The practice is an ancient Hindu tradition from the Sanskrit word "Rangavalli," meaning rows of colours.*

We have made ours from printed patterns on card and coloured sticker dots.
